About US

PROFESSIONAL

Yano is a specialized manufacturer & exporter of power tools since 2011. The Company specialized in manufacturing cut off machine, blowing and suction machine, and electric spray gun. It orients its power tools for durable DIY and semi-professional use. With GS, CE, EMC, approvals, we ensure every pc of our tools is made under strict quality control, and compliance with relevant directives & regulations.

The tools have to go through FFU test for testing of durability before delivery. Also Rosh & Paths testing facilities are available with us for testing material composition in full compliance with EU requirement. Today, Yano stands for its quality for durable and reliable electric tools.

Yano factory located in Jinhua, Zhejiang province of China, it is very near Yongkang and Yiwu city, and it's only 4 hours drive from Shanghai and only 2.5 hours by bullet train from Shanghai. We warmly welcome business and technical cooperation from our partners worldwide.
